Received report

Directed staff to provide a status report at next meeting; request an informal opinion from the Attorney General's Office on the authority of the Air Board and DMME to have measures for regulating dust off-site; work with DMME to define what reasonable measures would be including whether additional on-site measures are necessary if no authority to regulate fugitive dust off-site and advise DMME of the Board's request that they expedite their process for including reasonable measures into the permits for the facilities around Roda.
